

SCHOOL HOLIDAY Art Programmes

5 - 16 July 2010

"Where the Wild things are"

Creepy crawlies, imaginary creatures, aliens, monsters, wild animals, fantasy...

Details will be loaded on our website mid June.

27 Sept - 8 October 2010

"Outta This World!"

Create alien planets, glow-in-the-dark habitats.

Design your own country, world or even an alien zoo.

Details will be loaded on our website early September.

This year Lake House is participating in the biennial Sculpture On Shore event with an entry in the Children's section – children's sculpture @ the fort.

This is a fantastic opportunity for children to be involved in an art exhibition that features their work.

Some classes during both the July and October school holiday programmes will build the Lake House entry for the children's sculpture @ the fort exhibition.
